

# IOF-ESCEO Pre-Clinical Symposium

March 22-23, 2011, Ayre Hotel Astoria, Valencia, Spain

Symposium Chair: Gerard Karsenty

Scientific Committee Chairs: René Rizzoli and Cyrus Cooper

**Tuesday March 22, 2011**

*Chairs: Gerard Karsenty and René Rizzoli*

8.30-9.15 Invited Lecture 1: Inflammation and bone development (E. Wagner)

9.15-10.15 Selected oral presentations

10.15-10.45 Coffee Break

10.45-11.30 Invited Lecture 2: Periarticular bone remodeling (G. Schett)

11.30-12.30 Selected oral presentations

12.30-14.00 Poster viewing

14.00-14.45 Invited Lecture 3: The osteoclast in tumoral bone involvement (A. Teti)

14.45-15.45 Selected oral presentations

15.45-16.30 Invited Lecture 4: Pathophysiology of tumoral bone disease (Ph. Clézardin)

16.30-17.30 Selected oral presentations

17.45-19.00 Meet the Faculty:

How to write a grant (C. Cooper)

How to write a manuscript (G. Karsenty)

How to build up a lecture (E. Wagner)

Women in academic careers (A. Teti)

**Wednesday March 23, 2011**

*Chairs: John A. Kanis and Cyrus Cooper*

8.30-9.15 Invited Lecture 5: Skeletal stem cell: Basic biology and clinical applications (M. Kassem)

9.15-10.15 Selected oral presentations

10.15-10.45 Coffee Break

10.45-11.30 Invited Lecture 6: Post-natal, microvascular progenitors for bone and other mesoderm derivatives (P. Bianco)

11.30-12.30 Selected oral presentations

12.30-14.00 Poster viewing

14.00-14.45 Invited Lecture 7: Control of bone formation (M. Amling)

14.45-15.45 Selected oral presentations

15.45-16.30 Invited Lecture 8: Regulation of bone mass by serotonin (G. Karsenty)

Preliminary Programme (August 5, 2010)
