POSTER PRINTING SERVICE

A on-line service for creating and printing your poster at a nominal cost will be offered through **Call4Posters®**, which has significant experience in providing this service exclusively for congresses. The service is not mandatory and independent of the Congress organizers. However, if you are looking for an easy, convenient and economic way to produce your poster, please look out for the Call4Posters® e-mail invitation. You will be sent information on how to access the website after Monday 28 February 2011.

Please keep in mind that **at least the presenting author** should be duly registered to the meeting.
